FINANCES

SAOUG is financially stable due to our membership renewals and the income from the 2018 conference. Our treasurer will elaborate more in her report. The Audited Financial Statements for end 2017 is available on request.

SAOIM 2018

As you all know 2018 was Conference year! As in the past SAOUG and OSALL brought you a conference of high quality and relevant content. We received very positive feedback, some attendees describing the conference as the best one yet. The speakers were fantastic and we honestly had exceptional keynote speakers as well. As always, this event would not have been possible without our sponsors & exhibitors. We truly appreciate their continued support!

NOTE OF THANKS

This has been a very busy year for all of us. So it is a great privilege for me to be able to thank the SAOUG Committee for all the hard work and dedication in 2018. I am extremely grateful to serve on this committee with such an amazing team.

A huge thank you to OSALL for their contribution to the SAOIM. It was 2 years of blood sweat and tears, but we made it! To Charmaine Bertram 2017-2018 chair and Karabo Moleya, newly elected chair, thank you it is fantastic to share this event with OSALL.

Finally I would like to thank all our members for your support, participation and contributions to the organization. Without you the SAOUG would not be successful in its endeavours.
